1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Duke Energy for the past 8 yrs.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Duke gets money from its customers every month and a % of it goes to pay for upkeep and improvements. I don't believe its right for Duke to make the customers pay extra on improvements. Am a senior citizen on a small disability check & the last raise in 2010 hurt me. Now they want another raise which will cut in deeper on money for groceries. I can no longer buy foods that are health for me. I can't afford another raise ^{with} my budget.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

yes, would like to be heard!! Most senior citizens are like me, they can't afford to be hit ^{with} higher interest. we're stretched to the limit now!
